

JESUS IS

Loving across borders

At Abundant Grace we...

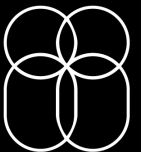

Do what Jesus is doing

Each of us

Every day

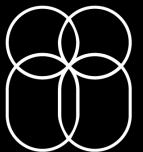

Everywhere

We are equipped as global disciples as we **gather** for worship, **connect** in small groups, and **serve** in and beyond our community.

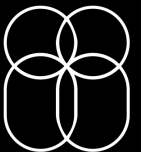

Jesus is...

- 1. Loving across borders,** learning to build community with people not like us.

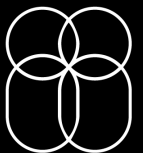

Jesus is...

1. Loving across borders
2. **Birthing new creativity** in us, and helping us to reach out to creative and artistic persons who haven't yet connected with God's love and Abundant Grace.

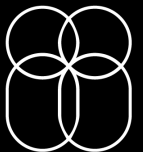

Jesus is...

1. Loving across borders
2. Birthing new creativity
3. **Healing and setting people free** and shaping us as a community of healing and deliverance. We are wounded healers connecting our wounds and the wounds of others to the healing, liberating hands of Jesus.

3. **Jesus makes the impossible possible**

1. Borders challenge us to tough love
2. Jesus demonstrates love across borders
3. Jesus makes the impossible possible
4. **God entrusts us with a mission of “bridge building” (God’s ambassadors, 2 Corinthians 5:20)**

Challenge: As you prepare for next Saturday's special offering for local outreach, consider a "bridge building" commitment to give more, pray more, and actually get involved in one of these seven local ministries.
